

Reflector with micro-structure REF-MCLIP21

- Simple installation with snap-in fastener
- Micro-structure

Reflector with Micro-structure, round \varnothing 21 mm, snap-in

Dimensions

Technical Data

General specifications

Construction type circular

Ambient conditions

Ambient temperature -20 ... 85 °C (-4 ... 185 °F)

Mechanical specifications

Material PMMA/ABS

Dimensions Diameter: 21 mm

Mounting Snap-in
