

Reflector with micro-structure

REF-MS21

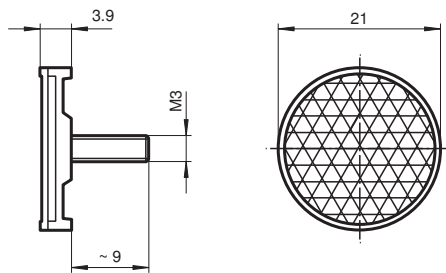

- Screw mounting for simple installation
- Micro-structure

Reflector with Micro-structure, round \varnothing 21 mm, screw fixing M3

Dimensions

Technical Data

General specifications	
Construction type	circular
Ambient conditions	
Ambient temperature	-20 ... 85 °C (-4 ... 185 °F)
Mechanical specifications	
Material	PMMA/ABS
Dimensions	Diameter: 21 mm
Mounting	screw fixing
