

Sensor adapter CP-ADP-SLT-1/4-M8 5pcs

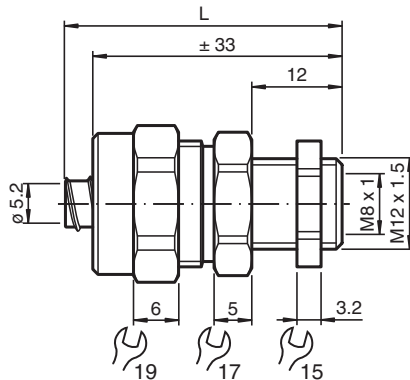

- Suitable for 1/4" flexible coated conduit

Sensor adapter for M8 sensors and 1/4" flexible coated conduit

Function

The sensor is screwed into the internal thread of the sensor adapter. The sensor adapter is used in conjunction with a suitable flexible conduit and a suitable cable gland to form a cable protection system for sensors. The purpose of this system is to protect the sensor wiring in harsh environments.
