

Reflector

FE-RR15

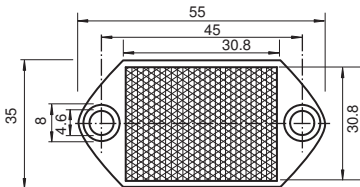

- Rectangular, corner-cube reflector
- Temperature range: -4 °F to +140 °F
- Mounting holes for simple installation

Reflector, hexagonal 55 mm x 35 mm, mounting holes

Dimensions

Technical Data

General specifications

Construction type circular

Ambient conditions

Ambient temperature -20 ... 60 °C (-4 ... 140 °F)

Mechanical specifications

Mounting mounting holes
