

# Magnetic actuator

## 52FY31-V4A

■ Magnet Actuator

### Dimensions

### Technical Data

Nominal ratings	
Switching state indicator	NO contact
Compliance with standards and directives	
Standard conformity	
Standards	
Ambient conditions	
Ambient temperature	-40 ... 100 °C (-40 ... 212 °F)
Mechanical specifications	
Housing material	316 stainless steel
Degree of protection	IP69K
Note	To be used with 50FY41-V4A-6, 50FY41-V4A-12, 50FY41-V4A-50 sensors
